

Darwin Educator Preview Event

Wednesday 21 October

5.00-6.30pm

Come and join the Learning Team at The Manchester Museum for a special educator preview evening as part of the Darwin extravaganza.

See our new exhibition 'Charles Darwin: evolution of a scientist' to learn more about Darwin and find out about the exciting educational opportunities for your school or college. Take part in one of our hands-on activities, handle museum objects, take a guided tour or just explore the exhibition.
